

Instant Pedal Lift 324

Instant Pedal Lift 324

STANDARD EQUIPMENT

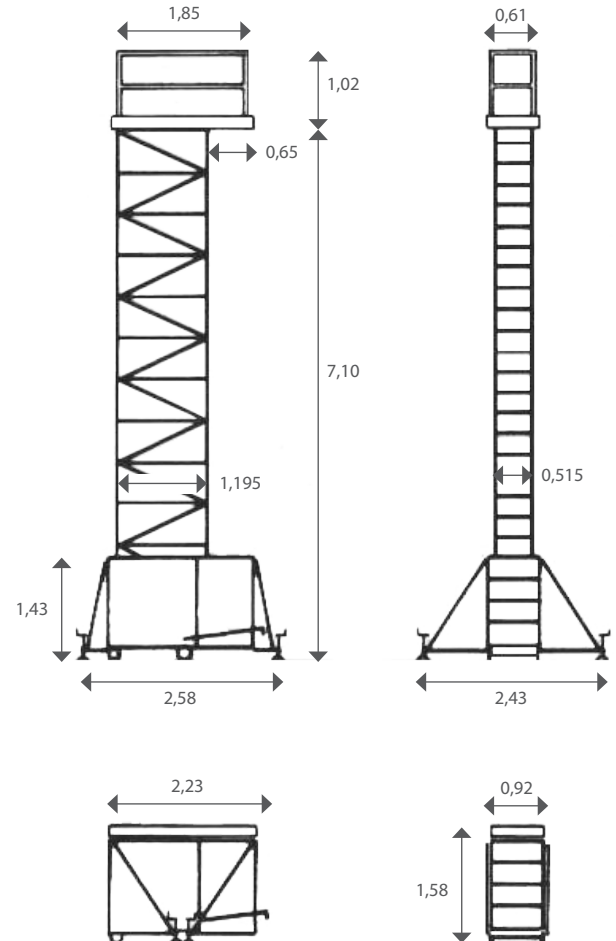

- Manual incremental lifting/lowering (0.5 m), by using a foot pedal
- Particularly well suited to maintenance, repair and assembly work indoors, as for example in sports halls, council offices, shopping centers, theatres, etc.
- Easily transported through a standard doorway when folded together
- No danger of sparks - the device can also be used for smaller maintenance and installation jobs on oil platforms
